

CARDINAL COMMUNITY SCHOOL EMERGENCY HARD SURFACE ROUTE PLAN

Updated December 8, 2017

The Cardinal Community School developed an emergency hard surface route plan. The purpose of this plan is to provide a bus transportation system on days when it is not possible to run the buses on gravel roads. In situations such as drifted or icy country gravel roads, or soft surface gravel roads, this plan will be implemented. You will also find a copy of this plan on our website www.cardinalcomet.com. Announcement concerning implementation of the Emergency Hard Surface Route plan will be made on the radio and television stations listed below. The decision for implementing this plan will normally be made no later than 6:30 a.m. In addition to the Call Em All notification system these stations will be notified:

Albia KLBA - FM 96.7 Ottumwa KBIZ - AM 1240 KRKN-KISS - 101.5

Fairfield KMCD -KICK 96 - AM 1570 KLEE - AM 1480 KTVO - TV Channel 3

When this plan is utilized in the morning, it will also be utilized in the afternoon. Students will ride the same bus home at night as they did in the morning. No child will be let off at a country intersection unless the parent or the parent's designated pickup person is present. Children whose parents are not present at a country intersection to meet them, will be returned to the Cardinal Elementary building and parents will be required to pick them up as soon as possible.

Students who live in the country who are not able to make it to a hard surface pick up spot will not be counted absent from school if parents write a note to the school informing us of the problem.
